Dear Raymond:

Enclosed please find the graphic recorder report of our meeting in Budapest.

While I did not get to spend as much time as I would have liked with each participant, I do appreciate your contribution to the meeting.....a meeting which was a smashing success both in form and substance.

Please feel free to contact me at anytime.....ideas, suggestions and even complaints are welcome. We can learn from our mistakes as well as from successes.

Thank you again for giving so generously of your time, ideas and talents.

Warm regards,

Mary
